A Line o' Cheer Each Day o' the Year. By JOHN KENDRICK BANGS.

First printing of an original poem, written daily for The Washington Herald.

THE CURE-ALL.

When I am peeved by that which is or ain't I take my lamentation and complaint Into some bit of greenwood, 'neath the sky, And on the breast of Nature let them lie; And ere the sun hath made the round of day I find they all have vanished quite away, And in their place discover, like as not, Some bud hath sprung to beautify the spot.

The inventor of the speedometer is dead. He made it possible for long-distance pedestrians and bicyclists to prove their lies.
